

A black and white line drawing showing a right hand holding a pair of scissors. The scissors are positioned to cut a ruler. The ruler is held horizontally, and the scissors are open, with the blades positioned to cut through the ruler. The hand is shown from the side, with the thumb and index finger gripping the handles of the scissors. The ruler has markings on it, but they are not clearly legible. The drawing is simple and illustrative, typical of a technical manual or textbook.
